

6 September 2010

St Joseph's School Gala

Only 6 weeks to go until the big day!

We are very grateful for all the great response we have had so far and would be so appreciative if this could continue over the next few weeks so that this years gala could be as fantastic as we all would love it be.

MUFTI AND DONATION DAYS

The following dates are those days we ask that a donation be made of the following items.

Remember, Lucky Dip items don't need to be expensive, we just ask you to think of an item your own child might like to receive.

If these days don't suit you please remember that any items can always be dropped off at the office.

Friday 10th SEPTEMBER : Grocery item day. "As the French say" L'amour de la table est le sel de la vie"the love of food is the touch of spice to life...

Friday 17th SEPTEMBER : Mufti Day with a **lucky dip**.....something small and nice **and/or** a bottle of **wine**.

Thursday 23rd SEPTEMBER : Chocolate Day.....a little bit of chocolate goes a long way.

And don't forget to check what **theme basket** your child's classroom has this year. Thank you again for all your support. What we can do now will help the school in the future.

SPONSORSHIP

We have had some lovely gestures from different companies and private donations. We look forward to receiving your top grade second hand items for this years white elephant from the second week of the school holidays onwards.

Toys & Clothes. We will let you know when to bring in clothing and toy stall items. A great opportunity to 'Spring Clean' and put aside items for these very busy stalls.

Plants, plants, plants! Keep potting up, get your seeds growing. Just enough time to get plants propagated or into pots ready for sale. If you can help with plants on gala day, give us a call.

We would still love to hear from anyone that may have hidden talents as a face painter and/or who would like to volunteer to help coordinate this stand.

MIA (Missing in Action!): Has anyone seen a Breville appliance box with face paints, accessories and books in it from last year? We think it may have been misplaced after the Medieval fair. Any ideas of its whereabouts please call Margaret 545 2349

Gala date: Sunday 17th OctoberWe are predicting a most gloriously, sunny day

The Gala convenors – please don't hesitate to contact us
