Please can pencil cases be small as the tote trays don't allow for chunky lunchbox sized ones.

Please ensure books are covered as this extends their shelf life. My class has found the plastic reusable covers, see picture above, the most efficient. Other tamariki have designed their own and covered in clear contact. Please label accordingly.

There is an option to donate towards helping another family purchase stationery. The account number is 12-3165-0072145-53. It is available throughout the year if you would like to donate any amount. From this account we pay for stationery, uniforms and camp fees to help families who need a little assistance

** Tablets and iPads are not conducive to any Ministry of Education work that students complete and we recommend Chromebooks.
